

## How You Can Support the Partnership:

### Parents, Grandparents, and Caregivers:

1. Be aware of your child's developmental milestones by connecting with **Help Me Grow** and the **Ages & Stages Questionnaire**.
2. **Be actively involved in your child's education.** Partner with your child's caregivers, teachers, and school community to help your child succeed in school.
3. **Read** to your child every day. **Exercise** with your child every day.
4. **Connect with other parents and share information** about the services and supports that are available to Danbury parents.
5. Become an active member of our **Parenting Team**.
6. **Advocate** for **legislation and funding** that supports early childhood education.
