

How You Can Support the Partnership:

Business Leaders

1. Provide **expertise** in the areas of:
 - Management
 - Communication
 - Marketing
 - Data Collection and Analysis
2. Provide **resources** for:
 - Printing the Directory of Services for Danbury Families and other Partnership materials
 - Early literacy programs
 - Preschool teacher training
 - Programs that support early childhood education in Danbury
 - Partnership meetings and programs, including facilities/space
3. Provide **access and information to your employees** who are parents and/or grandparents:
 - Offer “**Lunch and Learn**” programs that focus on early childhood development, how families can access resources, and how parents can support their children’s education.
 - Connect employees **to social networking sites, websites, and email networks** that offer information on local resources, events, and services that support families.
 - Connect parents/grandparents with information on **how to choose quality childcare**.
4. **Communicate and Advocate.**
 - Become an early childhood “champion” and spokesperson on the importance of early childhood education in developing our future workforce.
 - Help us to advocate for legislation and funding that supports early childhood education.
